**NOTICE**

Dear Colleagues,

With all your best efforts, the semester has come to an end on 31<sup>st</sup> May 2020, as per the directions of VTU, Belagavi. This also indicates that we shall not have Visiting Faculty until the following semester. We will have to finalize the IA marks and Attendance shortly as per directives from VTU.

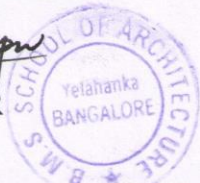

To place on record, we had commenced “offline” classes from 01<sup>st</sup> Feb 2020 and changed over to “online” mode from 22<sup>nd</sup> March 2020 due to the new pandemic (COVID – 19) situations. All faculty of BMSSA have responded to this change gracefully and also delivered ‘On-time’, be it teaching or other related admin assignments.

Further, to conclude this semester and move along with the times, we have launched our You-Tube channel and hope to upload all our E-Classes handled during the lockdown period. In this regard, we request all the course coordinators to take the lead in creating online subject material, through recorded lectures.

We request all the faculty member to record a minimum of one module (comprising of many hours of lectures) and submit to the course coordinators latest by 15<sup>th</sup> June 2020. This will be a great start for future endeavors of BMSSA in response to the proposed NEP and revised curricular requirements of VTU.

BMSSA has always been at the forefront of any change and this time too, we shall rise up to the occasion. Best Wishes!
