Ref: 6-30/BMSSA/2020-21/142

Date: 03.07.2020

Dear Student and Parents,  
Greetings!

We hope that you and your family are safe and taking all precautions necessary to confront this Covid-19 pandemic. We sincerely appreciate your active participation in building this great institution and making sure BMS as one of the top most colleges in the country.

This is a special letter to you seeking your support & cooperation. You very well know that all Educational Institutions operate purely on students' tuition and other fees. As you are aware this year's circumstances are abnormal and unexpected. To keep the operations of the Institute going, we request you to pay your college fees for the academic year 2020-21 by 31.07.2020. We are confident that you will get promoted to next year. For those who couldn't get promoted, arrangement will be made to either refund the paid fees or adjust it to next academic year as per the student's request.

We request you to join hands to build and run a great institution.

Thank you.

Kind regards.
