**Yoga** is an invaluable gift of India's ancient tradition. It embodies unity of mind and body; thought and action; restraint and fulfillment; harmony between man and nature ; a holistic approach to health and well-being. It is not about exercise but to discover the sense of oneness with yourself, the world and the nature. By changing our lifestyle and creating consciousness, it can help in well being.

## Women's Day

**Date: 08-03-2018**

**Time: 1.00 pm**

BMSSA celebrated International Women's day on 8 th March 2018 from 1:00 pm to 2:00 pm with a mission to help forge a **gender equal world**. Idea behind the mission was "*Society is better when women are given equal respect and are not taken for granted*". Around the world and through the decades, we have all shared the global struggle for gender equality. Regardless of our age, country, background, or gender.

Teaching and non-teaching staff participated in celebrating women & achievements and increasing visibility, while calling out inequality.
